

BUY CHEAP OR MAKE

1

Ignore the advice “buy cheap buy twice”

Buy cheap, it’s only for a photograph

Clone out rips and tears

2

Scour charity shops for jewellery/clothes/accessories/lamps etc

3

Don't buy anything - take a mobile phone photo in the shop

4

Christmas decorations make great accessories

5

Plastic swords, daggers and helmets work well

6

Dolls House furniture can make great images
