Where do you get your ideas from?

1

Everywhere!

- Myths and legends
- Paintings
- Poetry and literature
- Songs titles and lyrics (especially abstract?)
- Movie and DVD posters
- Museum Displays
- Book cover Art
- Items on Cocktail Menus

Song Lyrics

Parisienne Walkways by Gary Moore

"I remember Paris in '49
The Champs Elysees, Saint Michel and old Beaujolais wine
And I recall that you were mine
In those Parisienne days"

50

Planning vs Spontaneity

- Plan carefully and then become flexible on the day

51

Some of the odd questions we ask each other.......

52

"If a woman was dragging a dinosaur, how high would the rope be off the ground?"

Looking to the future I hope to keep my photographic mojo up by:

- Playing with ideas, new challenges, fun projects, and stretching myself just beyond my comfort zone
- Trying not to focus exclusively on the outcome but working as hard as possible to make the process fun
- Doing my best to remain open to criticism and comments on the quality of my work without becoming (too) defensive.
